JOB DESCRIPTION

Job Title:	International Protect and Prepare Advisor – UK Based
Rank/Band:	Constable (Detective/Uniform)
Line Management:	Sergeant/Band V International Protect and Prepare
Secondment Term:	2 years with an opportunity for extension. Reviewable every 12 months.

Job Summary

The international Protect & Prepare team is a programme that is funded to develop and support overseas capability and capacity building in CT Protective security and CT Preparedness. The Joint Overseas Protect and Prepare Board (JOPP) defines the priority countries which are the primary focus of this work. The International team consists of overseas permanently deployed individuals and a UK based team, some of who will travel out periodically to assist in delivering the products developed by the International P&P team.

As well as the key tasks outlined below, you will work to support the Overseas International Protect & Prepare permanently deployed individuals whose aim is to coordinate the delivery of Protect and Prepare capability and capacity building overseas. You will achieve this through supporting the design and delivery of a range of Protect and Prepare products and activities for delivery with local agencies and key stakeholders in country.

You will manage several projects simultaneously and liaise with the Foreign Commonwealth Office, Home Office as well as other partner agencies to define and develop the varied requirements for each of the countries under your portfolio.

Key Tasks

The post holder will be required to do the following:

- Based at Empress State Building in London SW6 5TR, you will be responsible for a UK based portfolio with the ability to deploy for short periods overseas in support of the international programme delivery.
- Support overseas delivery programmes specific to country requirements.
- Complete regular reports as specified by the line manager.
- Support the Protect and Prepare coordinators based in the UK and deployed overseas to develop and deliver the International Protect and Prepare program overseas.
- Resource demand and ensure resilience across a number of countries, ensuring completion and prioritisation of tasks. Also signposting, where appropriate, to other relevant stakeholders and websites.

- Liaise with key stakeholders to maximise delivery. These may include representatives from industry, government and emergency services in country as well as FCO and other UK Government and non - government agencies.
- Represent UK Government and NCPP when periodically deployed overseas.
- Assist in the quality assurance of work delivered by those officers and staff deployed overseas by NCPP to ensure standards and consistency of delivery and support implementation of any recommendations identified.
- Assist in the quality assurance of CT awareness delivery, including Projects Griffin, Argus and Servator (or their international equivalent), to ensure they meet required overseas standards.
- Assist in the coordination of the Performance, Monitoring and Evaluation Process within your portfolio.
- Remain flexible to undertake additional tasks as directed by your line manager.

Key Skills

The post holder must have:

- Commitment to flexibility, to be able to travel overseas periodically for short deployments in support of the International programme delivery. Priority countries are subject to change, hence the need for flexibility to change deployment at short notice if required.
- Maintain a good working knowledge of role specific CT legislative procedures, national policy and tactical options to advise internal and external stakeholders.
- Maintain a good operational knowledge of emerging CT attack response capability (including MTA), as well as current UK standards of preparedness and protective security capabilities.
- Maintain knowledge of groups, attack methodologies and current affairs relating to terrorism and extremism, in particular within your area of responsibility.
- Agreed to attend and successfully pass Officer Safety Training, Emergency Life Support and Hostile Environment Awareness Training.
