

## Receiver/Document Reader

District/Department	SCS	Rank/Grade	Band D
---------------------	-----	------------	--------

<b>Role purpose:</b>	To undertake the role of Receiver and Document Reader as per the national Major Incident Room Standardised Administrative Procedures (MIRSAP) using the Home Office Large Major Enquiry System (HOLMES) and the Force SCS Incident room management policy. Also, assist in the investigative process by performing the role of Investigating Officer.
----------------------	---

Key Accountabilities:	
Receive and read all material (statements, documents, interviews etc.) submitted to the Major Incident Room, identifying lines of enquiry and raising actions to further the investigation	
Read and assess content of material to be marked up either graphically or manually using HOLMES or a paper based spreadsheet	
Underline or highlight the content of the material to be indexed, indicating which index records or documentary cross references are to be created or updated.	
Where any line of enquiry is apparent give explicit instructions to raise an appropriate action, assessing the priority of the action.	
Record a summary of the document/material.	
Direct other staff including Indexers in respect of the line of inquiry.	
Attend all briefings held by the SIO, and contribute to strategy meetings and directed lines of enquiry as part of the Major Crime Management team.	
Maintain the pending queue for those actions where enquiries have been started but cannot be completed until a future date and maintains the referred queue for those Actions, which are not to be allocated.	
Where necessary, perform the role of Action manager as determined in the MIRSAP manual which involves Receiving and maintaining returned actions from outside officers ensuring that they have been completed correctly and identifying any further issues or actions arising.	
Allocate actions to the Outside Investigators, giving consideration to current lines of enquiry, the type of enquiry to be made and the location of the officers, ensuring all relevant information, documentation and intelligence is available	
Identify, in liaison with the SIO, actions which are to be referred, or pending.	
Assist in management of the investigative process by conducting/managing investigations and submit case files to enable prosecutions.	
Provide support and ongoing victim care throughout the investigative process.	

Participate in the casualty bureau where required.  
Carry out any other duties commensurate with the purpose and grading of the post that may from time to time be determined.

### Competencies/behaviours

Please access the College of Policing website (via Google Chrome) and refer to the **Competency and Values** for a definition of the values and essential behaviours for each required competency level.
